Sunday 10th July saw 33 archers assemble for a fine shoot on our two newly pegged out courses.

The weather was fine and all had a great time.

Huge thanks to all who assisted including:

Sarah Davis for cooking over 60 meals and dealing with catering;

Ghislaine Haldane for assisting with front desk;

John Evett for the backbreaking work of changing pegs as directed by YT (in a purely managerial capacity);

John Dickinson for scoring, working out handicaps and (yes) even awarding Hunter's Patches;

all those I have missed out.
