Scores of particular note included: a fine round of 350 from Ray Durrant longbow; a super 770 for the day from Piers Chandler, Longbow; and, a simply super 1050 from new member Sam Bruce shooting Unlimited (compare that with his maximum possible and weep). It was great to see we had a party of compounders again. First time for a while.

Bridget Lawrence got a very creditable 374 in her first outing as ladies BB and Andy Hawthorne got a very good 650 in BB. They've only been shooting a few weeks. Kevin and Jonathan must be teaching people too well these days.
